

EzeScan ICR Administrator Training Course

The 2-hour day EzeScan ICR Administrator Training Course provides the students with the relevant information that will allow them to administer and operate the EzeScan ICR software. This will allow them to create EzeScan job types that can process forms that contain handprint zones.

This EzeScan ICR Administrator Training Course is taught using the relevant sections from the EzeScan KFI User Guide.

Pre Requisites

EzeScan PRO Administrator Training.
EzeScan KFI Administrator Training.
